Re: United States v. Robert Simels, et al.
Criminal Docket No. 08-640 (JG)

Dear Judge Gleeson:

We respectfully submit this letter to inform the Court that the Drug Enforcement Administration provided our Office with all the recordings by the confidential witness (the "CW"). After examining these recordings, we identified one additional conversation between the CW and an individual other than the defendants that relates to this case. Accordingly, we are disclosing this additional recording to the defense.

Respectfully submitted,
BENTON J. CAMPBELL
United States Attorney
